

Are you Change Agile?...

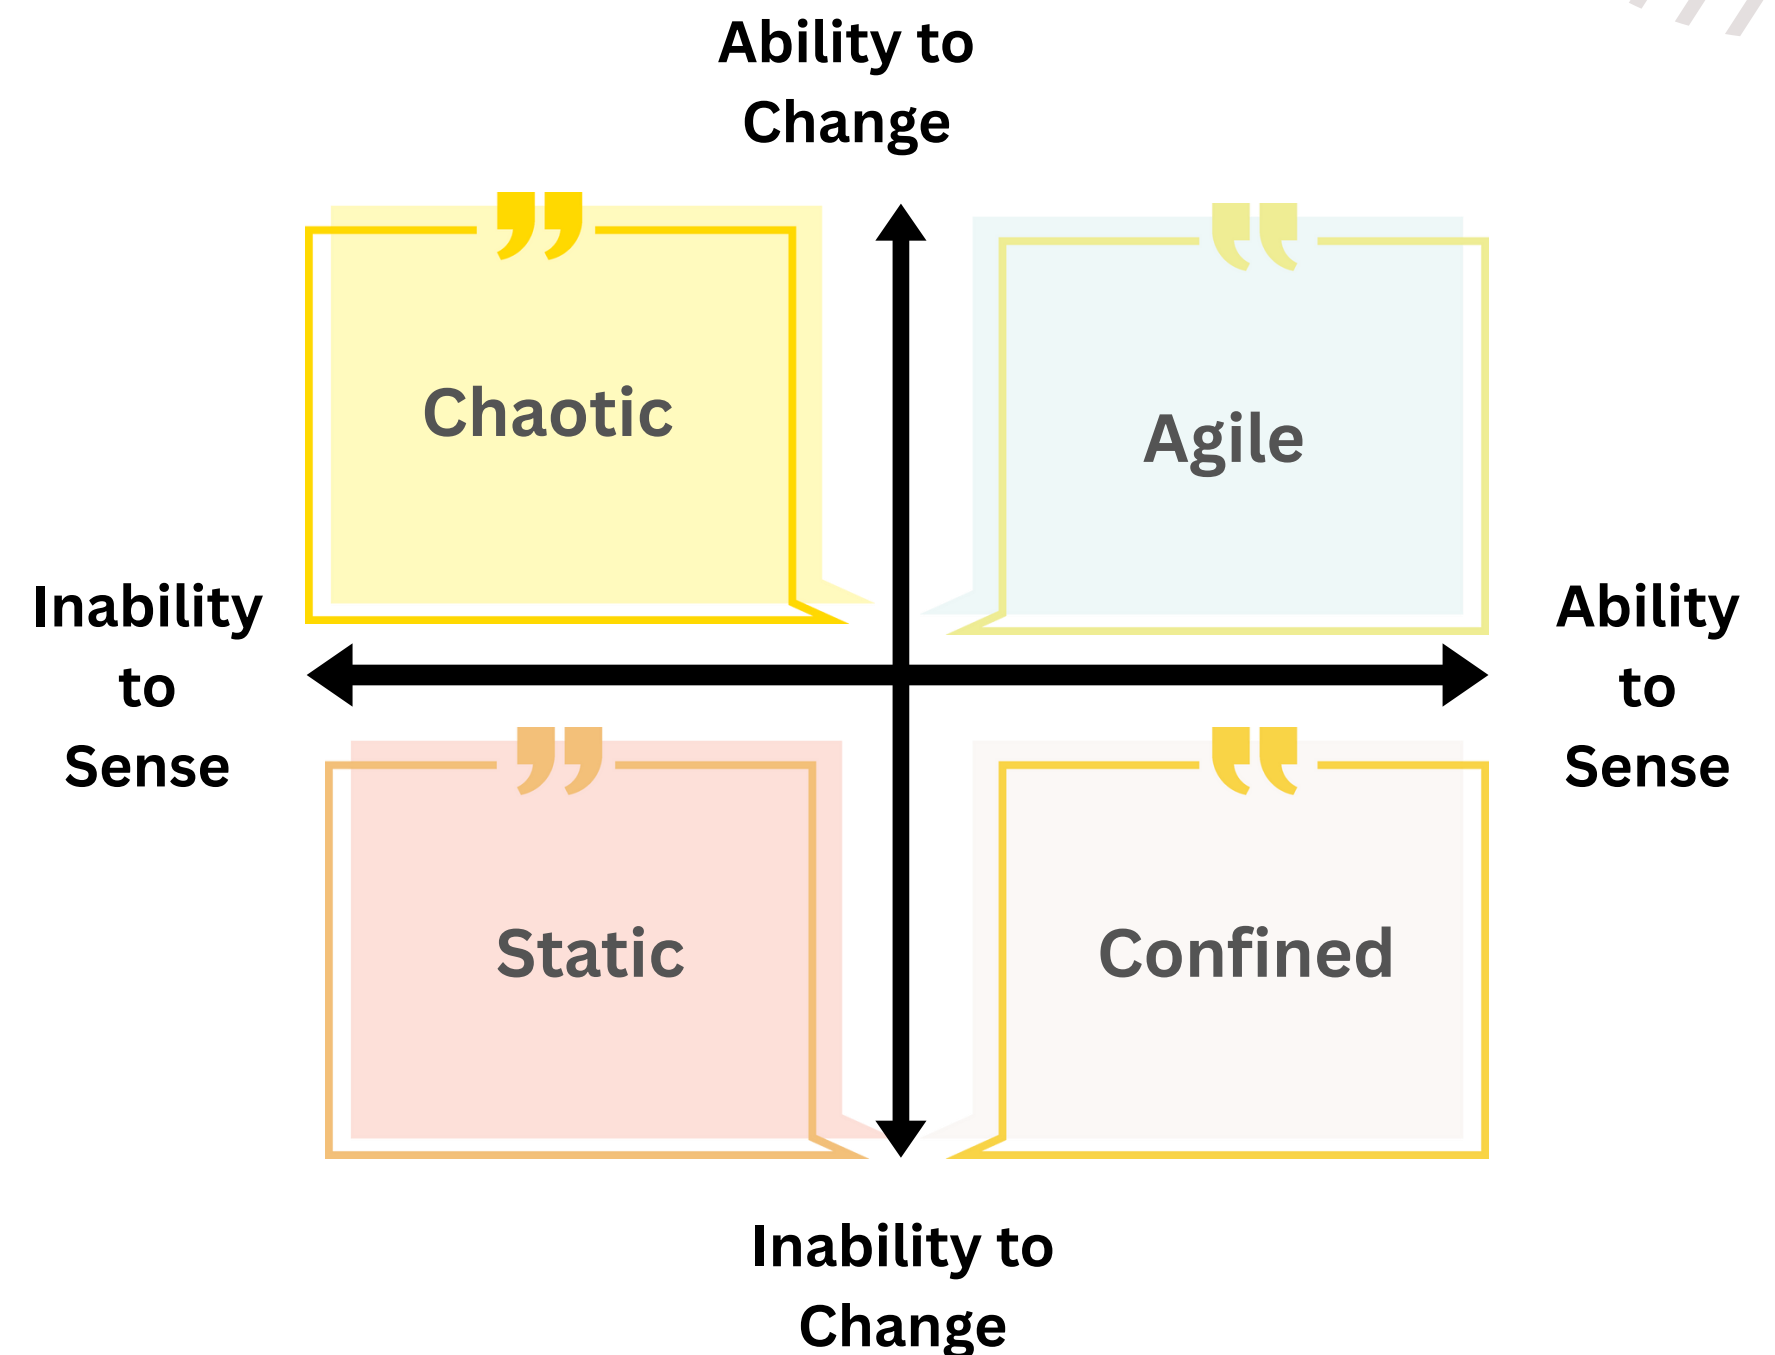

In your groups, discuss:

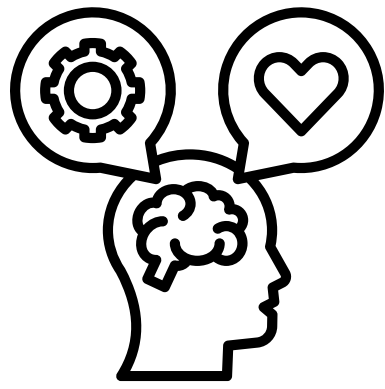

What does it feel like to work in a culture that is chaotic/static/confined?

What are the consequences?

What is the change culture in your business right now?

As a business, what do you need to do to be more change agile?

Head V Hearts - Ticking all the boxes...

ETHOS

Is your credibility & trustworthiness – do they believe in you and buy your ideas? (**Trust** helps to foster certainty)

LOGOS

Is the logical arguments and reasons you put forward – appeals to their rational mind (**Heads**)

PATHOS

Is all about emotions and feelings – do you capture their heart and imagination? (**Hearts**)
