

The Inclusive Manager - Your Task

During the session, you'll remember completing the communication activity (colours).

Your Task

- 1) Individually, ask at least 5 people in your team to complete the activity. Instructions on how to complete it are at the top of the sheet. The colour order is blue, red, green
- 2) Discuss their results in their 1:1. Ask them about how they like to be communicated to. What can I do as your manager to improve how I communicate with you?
- 3) Use the colours overview to learn more about each colour. This can be found in the learning hub
- 4) As a group, meet up face to face or virtually and discuss the results of the individual task.
 - a. Did you learn anything new about the 5 people
 - b. How might you manage these people differently now you know more about them?

You'll feedback your findings as part of a group discussion at the start of module 3

And just one more thing!

We'd like you to take 10 minutes out of your busy day to watch at least one clip from the YouTube section and read at least one article from the Articles and Blogs section
